Los Angeles County Sheriff's Deputy of the Year Award

On April 19th, 2018, Detective Vidrio was awarded Deputy of the Year by the Lawndale Rotary Club.

Detective Vidrio began working in the City of Lawndale in May 2017. She has a very active personality, and excellent work ethic, enabling her to hit the ground running. In this past year, Detective Vidrio has profiled more than 50 gang members who reside in the city. Additionally, she conducts follow-up investigations with active cases occurring in Lawndale, and files the charges in court. She avails herself 24 hours a day for patrol support (answering technical legal questions from deputies and supervisors), and service of warrants.

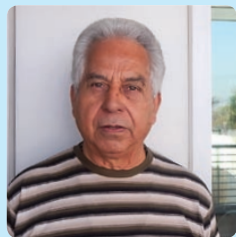

Detective Vidrio has been a member of the Los Angeles County Sheriff's Department for 16 years. She began her career as a custody assistant in Twin Towers in 2001 and then was hired as a deputy in 2004 and began working at the Lennox Station in 2007.

With her friendly personality and her hard work, Detective Vidrio plays an important role in the city's law enforcement team, and is well deserving of the award.

2018 Outstanding Older American Award Recipients, Ricardo Hernandez and Ana Birdsall

In 1963, President John F. Kennedy and members of the National Council of Senior Citizens designated May as "Senior Citizens Month", later named "Older Americans Month". Older American Month is celebrated nationally through ceremonies, awards programs, and other meaningful events. Each year, the City of Lawndale recognizes a deserving individual who has made volunteerism a significant part of their life. Affirmed by the County of Los Angeles, Commission of Older Adults, the Lawndale City Council acknowledged two deserving individuals who were selected as Outstanding Older Award recipients who were recognized at the 53rd Annual Older American Recognition Day Awards Program in May 2018.

Ricardo Hernandez has been a volunteer for the City of Lawndale Community Services Department for approximately 2 years. Ricardo is fully dedicated to the senior programs and is at the community center every weekday helping out with the lunch program and other senior programs. He assists in many areas such as, setting up and breaking down equipment for senior programs, cleaning when and where necessary and is always available to pick up additional tasks as needed. Ricardo has lived in Lawndale for approximately 10 years and he enjoys working out and being outdoors during his spare time.

Ana Birdsall, also known as "Witchy Poo" was best known in the City for her involvement in Halloween. For several years, Ana hosted a free haunted house on private property in the City for the trick or treaters to enjoy. She did much of this at her own expense. In addition, Ms. Birdsall, for many years, would brighten up City Council meetings by unexpectedly swooping into the City Hall Council Chamber the meeting prior to Halloween in her black and purple witch costume. She would approach the podium and entertain the City Council, staff and audience with her bellowing witches cackle similar to the Wicked Witch of the West in the classic movie Wizard of Oz. She would then quickly comb the City Council Chamber and give everyone in the room a small candy treat before quickly exiting with her broomstick in hand off to delight others with her Halloween spirit.

Lawndale Votes in 2018! City Elections Coming in November

Since incorporating as a city in December 1959, the City of Lawndale has held its elections in April of even-numbered years in the past. The election was only for the mayor, councilmembers, city clerk and city ballot measures. No other elective offices, county measures or state propositions were on the ballots. However, recently, state laws were changed and the city must now hold its election in November. As a result there was no city election in April this year. Sharpen your pencil and get ready to vote in November. For further information, the public is welcome to call the City Clerk Department.

Interested in Running for Office?

The next general municipal election for the City of Lawndale will be on Tuesday, November 6, 2018. On that day, Lawndale voters will select the following:

- MAYOR, Full term of two years
- TWO COUNCIL MEMBERS, Full term of four years
- CITY CLERK, Full term of four years

You must be a registered voter residing in the City of Lawndale and be nominated by at least 20, but no more than 30, registered voters of the City to have your name on the ballot. To learn more about running for office, contact the City Clerk's Department.

City Council Honors Wall of Distinction Inductees

On December 18, 2017, the Lawndale City Council inducted two deserving individuals to the Wall of Distinction for their extensive volunteer efforts in the City. Lertis R. Ellett and Ella E. Traver were both unanimous selections by the Lawndale City Council.

Lertis R. Ellett (1908-1978) was a longtime minister at Lawndale Church of Christ (now Restoration Life Church) from 1946 – 1970 and Chaplain. Mr. Ellett was also a United States Air Force Colonel and United States Air Force Reserve Officer. For many years, he led the invocations at Will Rogers intermediate and Leuzinger High schools. He was very happy to see Lawndale incorporated in 1959 and was there for the ground breaking of the original Lawndale City Hall.

Ella E. Traver (1914-2003) was a very active individual in Lawndale for many, many years. Ms. Traver was President of Jane Addams, Will Rogers and Lawndale High School Parent Teachers Association (PTA), Woman of the Year, Santa Sled volunteer, organizer of the Lawndale Christmas Basket Program, which still exists to this day, providing gift baskets to Lawndale families who were struggling. In addition to organizing fundraisers, craft fairs and woman's club activities, Ms. Traver was a brownie and girl scout leader.

Adopted by the Lawndale City Council in March 2016, the Wall of Distinction posthumously honors up to four individuals each year who had distinguished themselves in the City by providing exemplary service to the City of Lawndale and its residents.

Currently, Marine Avenue has two lanes of travel in each direction and is classified as an east-west minor arterial roadway. There is a marked yellow crosswalk across Marine Avenue on the westerly side of the intersection, along with advanced Slow School Xing markings, overhead flashing beacons, and pedestrian crossing signage. Hartzog and Crabill, Inc., the project's traffic engineering consultant, is working with city staff to design a fully actuated traffic signal at Marine Avenue and Osage Avenue. The scope of work for design will include utility research and coordination, potholing, survey, traffic signal plans, signing and striping plans, traffic signal timing and construction cost estimates. The construction phase for this project is anticipated to begin in October 2018.

CURRENT PROJECTS

Inglewood Avenue Widening Project: Phase I of the project involves creation and striping of a new northbound third lane on Inglewood Avenue from approximately 140 feet south of the railroad tracks. The project also includes upgrades and modifications of traffic signals and signage, driveway approaches, sidewalks and curb ramps. Phase II of the project involves improvements of the Inglewood Avenue and Marine Avenue intersection, which includes construction of a new 13 feet wide westbound right-turn-lane only at the northwest corner of Inglewood and Marine avenues and extending north approximately 350 feet. The new right turn lane requires right-of-way acquisition of approximately 15 feet in width for the new lane, relocation of Southern California Edison (SCE) power poles and street lights, removal and replacement of an existing catch basin and associated piping, driveway approach(es), curb, gutter and sidewalk. In addition, relocation of existing aboveground features such as signs, bollard posts, private parking light poles, electrical cabinet and pull boxes as well as minor improvements within privately-owned properties where impact is anticipated by construction of the new right-turn-lane. The project also consists of grind and overlay of asphalt pavement; upgrade of curb ramps, and striping. Phase III of the project will widen Inglewood Avenue to provide a third southbound traffic lane from south of 147th Street to Marine Avenue. The project will also provide a continuous 10-foot sidewalk from Lawndale High School to Marine Avenue, a raised landscaped median island, traffic synchronization, street striping, and other roadway modifications to complete the traffic improvements throughout the project limits. The project is in the design phase and is anticipated to be completed in 2018. Funding sources include Measure R, Prop C and other federal funds such as SAFETEA-LU.

Burin House Demolition: The demolition and removal of the City's residential property located at 14720 Burin Avenue (Burin House) has been longtime programmed in the City's Capital Improvement Program. The removal was a

requirement established during the development of the City's Community Center. The project includes demolition, construction of a masonry wall around the property perimeter and extending the existing Community Center parking lot in its place. The project is in the design phase and will be funded using Bond Proceeds.

COMPLETED PROJECTS

W. 145th Street Improvement Project: The project identified in the City's Capital Improvement Program for Fiscal Year 2017/2018 includes W. 145th Street from Condon Avenue to Hawthorne Boulevard. Construction of the project was completed by Sequel Contractors and took place between January and March 2018. The project work scope addressed the poor roadway conditions (extensive alligator cracking and failing base material at several locations), reconstruction of damaged curb and gutter, sidewalk, driveway approaches, striping, and upgrade of wheelchair ramps to meet ADA standards. The project was funded with Measure R and Community Development Block Grant (CDBG) funds.

Street Improvement Project: The City's Capital Improvement Program (CIP) identified the following streets for improvements:

- W. 164th Street from Inglewood Avenue to Freeman Avenue
- W. 168th Street from Inglewood Avenue to Prairie Avenue
- W. 170th Street from Inglewood Avenue to Hawthorne Blvd.
- Larch Avenue from Marine Avenue to Manhattan Beach Blvd.
- Osage Avenue from Manhattan Beach Blvd. to W. 167th St.
- Prairie Avenue from North City Limits to south of W. 149th St.
- W. 162nd Street from Firmona Avenue to Hawthorne Blvd.
- Grevillea Avenue alley from W. 166th Street to W. 169th Street, west of Hawthorne Blvd.
- Hawthorne Avenue alley from W. 166th Street to W. 167th Street, east of Hawthorne Blvd.

Street Improvements addressed asphalt pavement repairs, restored roadway gutter-drainage flows and modified as needed to eliminate/diminish street and cross-gutter nuisance water. Repaired damaged sidewalks, curbs and gutters, cross-gutters, alley gutters, curb return ramps, driveway and alley approaches and re-establishment of traffic striping, pavement markers, and signage. The project was completed in March 2018. Funding sources included Measure R, State Gas Tax Revenues, Proposition C, TDA, and STP-L.

Organics/Food Waste Recycling for Lawndale Businesses

In October of 2014, Governor Brown signed Assembly Bill 1826 requiring certain businesses and multi-family complexes to recycle their organic waste beginning April 1, 2016. Organics are defined as food waste, food-soiled paper, landscaping waste, and compostable utensils.

The requirement is being phased in starting with the largest generators such as grocery stores, large restaurants, and food processing businesses. Also covered under this bill are multi-family complexes of 5 units or more. Multi-family complexes are not required to recycle food waste, but are required to recycle landscaping waste.

Lawndale has established an organics recycling program that is available to Lawndale businesses and multi-family complexes that fall under the AB 1826 requirements at no additional charge. Businesses will place organics/food waste in a separate bin provided by Republic Services. Businesses and multi-family complexes can sign up for landscape and/or organics recycling service by contacting Republic Services at (800) 299-4898.

Organic waste accounts for about 40% of the material in landfills that Californians dispose of annually. Most organic waste is recyclable through methods such as composting, mulching, and anaerobic digestion. Recycling organic waste not only saves our valuable landfill space, but also creates green jobs.

Dispose of Your Old Television Properly!

Dismantled televisions are finding their way into the streets of our city. Illegally dumped and stripped down TVs pose a serious threat to families, their children, and the environment. Not only do TVs contain broken glass, choking hazards and sharp wires, they contain many hazardous chemicals that can cause serious injury and illness if directly exposed to or inhaled. Some of these chemicals are Lead, Mercury, Cadmium and Arsenic and exposure to any of these can cause vomiting, diarrhea, numbness and tingling in extremities, rashes and in more extreme cases, even death. These are only four of the toxic chemicals that are found in old, abandoned televisions that threaten your well-being, and if not disposed of properly will leak into our environment through the soil and groundwater.

You can help to combat these threats to the community and keep these chemicals away from our families by properly disposing of old televisions.

To dispose of your old television properly, do one of the following:

- Contact Republic Services, the City's waste hauler, to collect your old television as a bulky item pickup. Simply call Customer Service at (800)-299-4898 to schedule the pickup.
- Take your old television to the Hyperion S.A.F.E. Treatment Plant Collection Center in Playa Del Rey located at 7660 W. Imperial Hwy, Gate B, Playa Del Rey, CA between the hours of 9:00 a.m. and 3:00 p.m. on Saturdays and Sundays.

Ganadores del Premio al Americano Adulto Mayor, más sobresaliente del 2018, Ricardo Hernández y Ana Birdsall

En 1963, el presidente John F. Kennedy y miembros del Consejo Nacional de Ciudadanos Seniors designó mayo, como el mes del "Ciudadano Mayor", posteriormente nombrado el "Mes del Americano Mayor". El Mes del Americano Mayor se celebra por todo el país, por medio de ceremonias, programas de premios y otros eventos significativos. Cada año, la ciudad de Lawndale reconoce al individuo merecedor, quien ha hecho de su voluntariado, una parte importante de su vida. Afirmado por el Condado de Los Ángeles, la Comisión de Adultos y el Consejo de la Ciudad de Lawndale reconocen a dos ciudadanos merecedores quienes fueron seleccionados como ganadores del Premio al Adulto Mayor más sobresaliente, en el 53º Programa Anual de Premiación del Día de Reconocimiento al Adulto Mayor en mayo de 2018.

Ricardo Hernandez ha sido voluntario en el Departamento de Servicios Comunitarios de la Ciudad de Lawndale por aproximadamente 2 años. Ricardo está completamente dedicado a los programas de los adultos mayores y se le encuentra en el centro comunitario todos los días de entre semana, ayudando con el programa de almuerzos y otros programas de los adultos mayores. Él ayuda en muchas áreas como poner y quitar equipo para los programas de los adultos mayores, limpiando cuándo y dónde sea necesario, y siempre está disponible para ayudar en otras tareas cuando se necesite. Ricardo ha vivido en Lawndale alrededor de 10 años y le gusta hacer ejercicio y estar al aire libre durante su tiempo libre.

Ana Birdsall, también conocida como "Witchy Poo" se le ha conocido en la Ciudad por su participación en Halloween. Por varios años, Ana fue la anfitriona de la mansión embrujada en propiedad privada en la Ciudad, para que los niños gocen yendo a pedir dulces "trick or treat". Ella hizo esto principalmente, pagándolo de su bolsillo. Además la Sra. Birdsall, por varios años, iluminaba las juntas del Consejo de la Ciudad irrumpiendo en las juntas del Consejo del Ayuntamiento antes de Halloween, con su disfraz negro y morado. Se acercaba al podio y entretenía al Consejo, al personal y al público en general, con sus gritos de bruja parecidos al personaje de la Malvada Bruja del Oeste de la película clásica, El Mago de Oz. Después pasaba por toda la cámara del consejo de la ciudad y les daba a todos los presentes un pequeño dulce antes de salir rápidamente, escoba en mano para deleitar a otros con su espíritu de Halloween.

Lawndale Lanza el Programa de Reciclaje Comercial de Desecho de Alimentos/Orgánicos

En octubre de 2014, el Gobernador Brown firmó el Proyecto de Ley 1826 requiriendo que ciertos negocios y complejos multifamiliares reciclen su desecho orgánico comenzando el 1º de abril de 2016. Desecho orgánico se define como desecho de alimentos, papel con restos de alimentos, desecho de jardín y artículos para abono.

Se requerirá que los comercios reciclen desechos orgánicos/alimentos comenzando con los generadores más grandes como supermercados, restaurantes grandes y comercios que procesan alimentos. También cubierto bajo esta ley, están los complejos multifamiliares que tengan 5 o más unidades. No se requiere que los complejos multifamiliares reciclen desecho de alimentos pero sí se requiere que reciclen desecho orgánico o desecho verde como hojas, pasto.

Lawndale ha establecido un programa de reciclaje de materiales orgánicos que estará disponible para los comercios y complejos multifamiliares de Lawndale que entran en el Proyecto de Ley AB 1826 sin costo adicional. Los comercios pondrán sus desechos de alimentos/orgánicos en bolsas especialmente diseñadas y los echarán en los botes de basura. Los comercios y complejos multifamiliares pueden inscribirse al servicio de reciclaje de residuos de jardín y/u orgánicos, contactando a Republic Services al (800) 299-4898.

El desecho orgánico representa aproximadamente el 40% de los materiales en los vertederos donde los californianos disponen anualmente. La mayoría del desecho orgánico es reciclable a través de métodos como compostaje, acolchado y digestión aeróbica. El reciclaje de materias orgánicas no solo salva los vertederos, sino que también crea trabajos verdes.

¡Deshágase Apropiadamente de su Televisor Viejo!

Los televisores desarmados están encontrado su camino por las calles de nuestra ciudad. Los televisores que son desarmados y tirados ilegalmente, presentan una amenaza seria para las familias, los niños y el medio ambiente. No solamente los televisores contienen vidrios y alambres puntiagudos, sino que también contienen muchos químicos peligrosos que pueden causar serias lesiones y enfermedades si se expone a ellos o si son inhalados. Algunos de estos químicos son plomo, mercurio, cadmio y arsénico, y estar expuesto a cualquiera de ellos puede causar vómito, diarrea, adormecimiento y cosquilleo en las extremidades, comezón y en casos extremos hasta la muerte. Estos son tan sólo cuatro de los químicos tóxicos que se encuentran en los televisores viejos, abandonados, que amenazan su bienestar y si no se dispone de ellos adecuadamente, pueden fugarse a nuestro medioambiente, a través de la tierra o las aguas subterráneas.

Usted puede ayudar a combatir estas amenazas a la comunidad y mantener estos químicos lejos de sus familias, desechando apropiadamente sus televisores viejos.

Por favor pase a la página 9 para encontrar maneras de deshacerse de su televisor apropiadamente.

A continuación tenemos algunos recordatorios sobre algunas cosas que podemos hacer para ser un dueño responsable de un perro. Estos consejos le ayudarán a usted y a sus vecinos a tener una experiencia en la que disfrute de su perro.

- Todos los perros requieren tener una licencia anual con la ciudad.
- Todos los perros deben estar al corriente en sus vacunas de la rabia durante el período de duración de su licencia.
- No se permite que su perro ande suelto en ningún momento. A los perros se les debe mantener con correa siempre que los saque de su propiedad.
- Al sacar a su perro de su propiedad, usted debe contar con los artículos necesarios como bolsitas de plástico, o un recogedor, para disponer sanitariamente del excremento del perro. Es ilegal dejar el excremento del animal en propiedad pública o privada que no sea la del dueño o rentada por el dueño de la mascota.
- Para la paz y tranquilidad de su vecindario, el ladrido del perro debe ser vigilado y se debe limitar el ladrido continuo o extendido de su mascota.
