Volunteer Spotlight

Lawndale Recognizes Outstanding Volunteers

In 1963, President John F. Kennedy and members of the National Council of Senior Citizens designated May as "Senior Citizens Month", later named "Older Americans Month". Older American Month is celebrated nationally through ceremonies, awards programs, and other meaningful events. Each year, the City of Lawndale recognizes deserving individuals who have made volunteerism a significant part of their life.

2019 OUTSTANDING OLDER AMERICAN AWARD RECIPIENTS

PHYLLIS BURTON

Phyllis Burton has lived in the South Bay since the 1970s. She was fortunate to have the opportunity to move to Thailand for work. With her extensive knowledge and travels she wrote a book called "Passport to Thailand."

Ms. Burton has been a loyal volunteer for the City of Lawndale Senior Program for over 7 years. She provides beautiful centerpieces for the senior citizen daily

lunch program tables, and for the large holiday luncheons. Every month Ms. Burton brings in centerpieces that she makes at home. Each table decoration is unique and is created with a theme.

Recently Ms. Burton along with a friend started a book exchange program at the Harold E. Hofmann Community Center. She volunteers her time sorting books, making labels and organizing the book shelves.

Phyllis was confirmed by the City of Lawndale, Los Angeles County Board of Supervisors and the Los Angeles County Commission on Aging as the award's 54th recipient and was recognized by the Los Angeles County Board of Supervisors in May at the Dorothy Chandler Pavilion as an outstanding volunteer for her volunteer work in the City of Lawndale.

DORIS HOFMANN

Doris has been a loyal volunteer for the City for many years helping out in the City's Free Food Program. She is very involved in the program and distributes free food to people in need each and every week at the Harold E. Hofmann Community Center in Lawndale. The widow of longtime former Mayor of Lawndale, Harold E. Hofmann, Doris continues to carry on the tradition of

the program which was started by her former husband more than three decades ago.

Doris was confirmed by the City of Lawndale, Los Angeles County Board of Supervisors and the Los Angeles County Commission on Aging as the award's 54th recipient and was recognized by the Los Angeles County Board of Supervisors in May at the Dorothy Chandler Pavilion as an outstanding volunteer for her volunteer work in the City of Lawndale.

Get Prepared with CERT!

City of Lawndale to Host FREE Summer CERT Training Program

Disasters can strike at any time and preparing for an emergency is always a good idea. Following a major disaster, police, fire and medical personnel may be unable to meet the needs of the general population, and residents may have to rely on their neighbors, and their own abilities in the first few hours and days after a major catastrophic event.

For this reason, the City of Lawndale is proud to once again host the CERT training course for residents, staff, and guests of Lawndale. CERT stands for Community Emergency Response Training and provides basic training in safety and lifesaving skills for the public by LA County Fire Department personnel.

The program will begin on Saturday, August 3rd and will continue on Saturday, August 10th, and conclude on Saturday August 17th. The classes start at 9:00 am and end at 5:00 pm, and attendees will be required to complete 21 hours of the course to receive a certificate of completion from the Los Angeles County Fire Department. Course curriculum includes modules on disaster preparedness, fire suppression, medical operations, and light search and rescue.

The courses will be held in the 2nd floor meeting room at the Hoffman Community Center located at 14700 Burin Ave, Lawndale, CA 90260. The training is offered free of charge and all community members are welcome, but class size is limited, so please register early to reserve your space.

City Council Renames Street Segment Lawndale Way

This past January, the City Council moved to rename the street segment formerly called W. 147th Street between Hawthorne Boulevard and Burin Avenue **Lawndale Way**.

The renaming of W. 147th Street has been considered a number of times in the past, but never made it to the City Council for a vote.

Because there are only four addresses on the block and three way-finding signs to replace once the change was made, this was seen as a simple change that would not be problematic to the few businesses on that street segment.

The renaming of W. 147th Street to Lawndale Way was seen as a way to help brand the City. What is now Lawndale Way, a main street segment that takes motorists, bicyclists and those on foot right through the heart of the Lawndale Civic Center, is often used for City special event programs and community events.

Historically speaking, according to City Historian James Osborne, Lawndale Way was originally Market Street before houses had what we know today as addresses. At some point in the 1930's, Market Street was renamed 147th Street.

2019 Summer Capital Improvements Program Update

The Public Works Department is pleased to provide you with this quarterly update of the City's Capital Improvement Program (CIP). The program covers: street, concrete, and traffic improvements (including sidewalk, curb and gutter), parks, and city facilities improvements. Projects are currently under construction or are in the planning and design phases.

CURRENT PROJECTS

Traffic Signal Installation Project, Marine and Osage Avenue Intersection:

Staff performed a traffic safety study to review vehicle and pedestrian traffic volumes at Marine and Osage avenues. Currently, Marine Avenue has two lanes of travel in each direction and is classified as an east-west minor arterial roadway. There is a marked yellow crosswalk across Marine Avenue on the westerly side of the intersection, along with advanced Slow School Xing markings, overhead flashing beacons, and pedestrian crossing signage. Hartzog and Crabill, Inc., the City's traffic engineering consultant, is working with staff to design a fully actuated traffic signal at the intersection of Marine and Osage avenues. The scope of work for design will include utility research and coordination, potholing, survey, traffic signal plans, signing and striping plans, traffic signal timing and construction cost estimates. The construction phase for this project is anticipated to begin in the latter part of Spring. The project is being funded with STP-L funds.

Traffic Signal Modification Project, Intersection of Manhattan Beach and Hawthorne Boulevards: The City of Lawndale awarded a contract to Hartzog & Crabill, Inc. for the design modification of the traffic signal at the intersection of Manhattan Beach Boulevard and Hawthorne Boulevard. This project will provide a protected, permissive left-turn signal that will improve the operational effectiveness and safety of the current left-turn configuration on Manhattan Beach Boulevard for both eastbound and westbound directions. The project is funded with Measure R funds.

Road Maintenance and Rehabilitation Project, W. 149th, W. 160th and W. 167th Streets: This project is an investment in our local streets and roads infrastructure with a focus on basic maintenance and safety and includes pavement improvements, street striping, street reconstruction, repairing damaged sidewalk, driveway, curb and gutter. The improvements will be on W. 149th Street from Hawthorne Boulevard to Larch Avenue, W. 160th Street from Hawthorne Boulevard to Freeman Avenue, and on W. 167th Street from Hawthorne Boulevard to Freeman Avenue. This project is funded with Gas Tax (SB1), TDA and Measure R funds. The project is anticipated to begin in the Spring.

Concrete Repair Project: The project includes repairing damaged sidewalks, curbs and gutters, cross gutters, alley gutters, curb return ramps, driveways and alley approaches. The project boundaries are as follows: east of Hawthorne Boulevard, south of W. 166th Street, west of 405 Freeway and north of Redondo Beach Boulevard. The project will be funded using Redevelopment Agency Bond Proceeds. The construction phase is anticipated to begin in February.

Inglewood Avenue Widening Project, Phase III: Phase III of the project is underway! The work will include the resurfacing of Inglewood Avenue from Rosecrans to W. 153rd Street with rubberized asphalt and striping as well as the traffic signal modification at the south intersection of W. 147th Street and Inglewood Avenue. The project will also provide a continuous sidewalk from the northern boundary of Lawndale High School to Marine Avenue, a raised landscaped median island with irrigation lines, traffic signal synchronization and street striping. Please be aware that there will likely be significant traffic delays while this project is taking place. After all, the Marine Avenue and Inglewood Avenue intersection is one of the busiest in the City.

Fireworks Are Fun, But They Can Be Dangerous

Each July 4th, thousands of people, most often children and teens, are injured while using consumer fireworks. Despite the dangers of fireworks, few people understand the associated risks – devastating burns, other injuries, fires, and even death.

Fireworks Facts:

- Fireworks are responsible for an average of 18,500 fires per year
- 1,300 of those fires are structural fires damaging property
- 300 of those fires are vehicle fires
- 16,900 of those fires are outdoors
- These fires caused an average of three deaths and 40 civilian injuries
- An average of \$43 million in direct property damage are caused by these fires
- Sparklers account for roughly one-quarter of emergency fireworks injuries

In 2017, U.S. hospital emergency rooms treated an estimated 12,900 people for fireworks related injuries; 54% of those injuries were to the extremities and 36% were to the head. Children younger than 15 years of age accounted for more than one-third (36%) of the estimated 2017 injuries.

Fireworks are often used to mark special events and holidays. However, they are not safe in the hands of consumers. Fireworks cause thousands of burns and eye injuries each year. People can enjoy fireworks safely by following a few simple safety tips.

- Be safe. If you want to see fireworks, go to a public show put on by the experts.
- Do not use consumer fireworks.
- Keep a close eye on children at events where fireworks are used.

Health, Safety and Pet Fair

Summer is nearly upon us, and as it fast approaches families are eagerly awaiting the opportunity to spend more time enjoying the outdoors. For many of us, pets are like extended members of the family, and they also look forward to a relaxing day spent in nature with loved ones.

With that in mind, the City of Lawndale is pleased to present its annual Health, Safety and Pet Fair. This event will take place on Saturday, June 8th at Jane Adams Park between the hours of 10:00 a.m. until 2:00 pm.

The purpose of the Health, Safety and Pet Fair is to bring a personalized experience to our residents, by allowing them to engage with brands through various interactive activities, in a fun and familiar environment. Vendors from all over will be on hand to display products specifically designed for your pet.

Additionally, veterinary health professionals will be in attendance to speak with guests about medical questions and innovations relating to your pet's health, and service providers will be on site to answer questions about care and services designed to help pet owners to better care for their pets.

For those who have more exotic tastes in their pets, booths will be featured with displays of reptiles, insects and other unusual animals. Are you a responsible dog owner? Anyone can be by following a few simple steps.

Below are a few reminders about some of the things you can do to be a responsible pet owner. These tips will help you and your neighbors have an enjoyable experience with your dog.

- All dogs are required to be licensed with the City annually.
- All dogs should be current on their rabies vaccination throughout the entire licensing period.
- It is not permissible to allow your dog to run at large at any time. Dogs should be kept on a leash whenever they are off your property.
- When taking your dog off property, you must have the proper supplies such as disposable baggies and gloves, or a scooper, so pet waste can be disposed of in a sanitary manner. It is unlawful to allow the animal waste to remain on any public or private property not owned or leased by the animal owner.
- For the peace and tranquility of your neighborhood, dog barking should be monitored and steps taken to limit the continuous or extended barking of your pet.

The Municipal Services Department would be happy to help you learn more about any of these items or other tips for healthy, happy pet care. The Municipal Services Department can be contacted by calling (310) 973-3220.

Voluntario Destacado

Lawndale Reconoce a Voluntarios Destacados

En 1963, el Presidente John F. Kennedy y miembros del Consejo Nacional de Ciudadanos Mayores, (Senior Citizens) designó el mes de Mayo como el "Mes de los Ciudadanos Mayores". El Mes de los Ciudadanos Mayores se celebra a nivel nacional a través de ceremonias, programas de premios y otros eventos significativos. Cada año, la Ciudad de Lawndale reconoce a individuos merecedores, cuyo servicio voluntario se ha convertido en una parte importante de su vida.

RECIPIENTES DEL PREMIO DE AMERICANO MAYOR MÁS SOBRESALIENTE DE 2019

PHYLLIS BURTON

Phyllis Burton ha vivido desde los setentas, en South Bay. Afortunadamente tuvo la oportunidad de irse a vivir a Tailandia por trabajo. Con su amplio conocimiento y sus viajes, escribió un libro titulado, "Pasaporte a Tailandia."

La Sra. Burton ha sido una voluntaria leal en el programa de Ciudadanos

Mayores de Lawndale por más de 7 años. Contribuye con unos hermosos centros de mesa para los programas de comida diaria, de los ciudadanos mayores y para los grandes almuerzos durante las festividades. Cada mes la Sra. Burton trae centros de mesa que ella misma crea en su casa. Cada decoración de mesa es única y creada con un tema en particular.

Recientemente la Sra. Burton junto con una amiga, comenzaron un programa de intercambio de libros en el Centro Comunitario Harold E. Hofmann. Ella dedica su tiempo etiquetando y organizando los libros y poniéndolos en los estantes.

Phyllis fue confirmada por la Ciudad de Lawndale, la Junta de Supervisores del Condado de Los Ángeles y la Comisión de Envejecimiento del Condado de Los Ángeles, como la 54ª receptora y en mayo fue reconocida por la Junta de Supervisores de Los Ángeles, en el Dorothy Chandler Pavilion como una voluntaria sobresaliente por su trabajo voluntario en la Ciudad de Lawndale.

DORIS HOFMANN

Por muchos años, Doris ha sido una voluntaria fiel para la Ciudad, ayudando con el Programa de Alimentos Gratuitos de la Ciudad. Está muy involucrada en el programa y distribuye alimentos gratuitos a la gente necesitada, cada semana en el Centro Comunitario Harold E. Hofmann en Lawndale. Viuda por

muchos años, del ex alcalde de Lawndale, Harold E. Hofmann, Doris continúa manteniendo la tradición del programa que comenzó su ex marido hace más de tres décadas.

La Ciudad de Lawndale, la Junta de Supervisores de Los Ángeles y la Comisión de Envejecimiento del Condado de Los Ángeles confirmó a Doris como la 54ª receptora y fue reconocida, en mayo, por la Junta de Supervisores de Los Ángeles en el Dorothy Chandler Pavilion como una voluntaria sobresaliente, por su trabajo voluntario en la Ciudad de Lawndale.

¡Prepárense para CERT!

La Ciudad de Lawndale será la anfitriona del Programa de Verano de Entrenamiento Gratuito CERT

Los desastres pueden llegar en cualquier momento y siempre es una buena idea estar preparados para cualquier emergencia. Después de un gran desastre, es posible que la policía, los bomberos y el personal médico no puedan cumplir con las necesidades del público en general, y es posible que los residentes tendrían que confiar en sus vecinos y sus propias habilidades, durante las primeras horas y días posteriores a un evento catastrófico de gran magnitud.

Es por esto, que la Ciudad de Lawndale se enorgullece una vez más en ser la anfitriona del Programa de Verano de Entrenamiento Gratuito CERT, Community Emergency Response Training, [Entrenamiento de Respuesta a Emergencias de la Comunidad] para los residentes, personal y visitantes de Lawndale. CERT brinda al público entrenamiento básico y aptitudes de seguridad y cómo salvar una vida, entrenados por el personal del Departamento de Bomberos del Condado de Los Ángeles.

El programa comenzará el sábado 3 de Agosto y continuará el sábado 10 de Agosto, hasta concluir el sábado 17 de Agosto. Las clases comenzarán a las 9:00 am y terminarán a las 5:00 pm, y se requerirá que los asistentes completen el curso de 21 horas para recibir el certificado del Departamento de Bomberos del Condado de Los Ángeles de haberlo terminado. El curriculum del curso incluye módulos de preparación en caso de desastre, extinción de incendios, situaciones médicas y búsquedas y rescates menores.

Los cursos se impartirán en la sala de juntas del 2º piso del centro comunitario Harold E. Hofmann ubicado en el 14700 de la Avenida Burin en Lawndale, CA 90260. El entrenamiento se ofrece de manera gratuita y todos los miembros de la comunidad son bienvenidos, pero el cupo de la clase es limitado, así es que inscríbese para reservar su espacio.

El Consejo de la Ciudad vuelve a nombrar un segmento de calle, Lawndale Way

En enero de este año, el Consejo de la Ciudad, solicitó que se nombrara **Lawndale Way** a un segmento de la calle 147 W, entre la Avenida Hawthorne, y la Avenida Burin.

Este nuevo nombre de la Calle 147 West, ha sido considerado varias veces anteriormente, pero nunca llegó al Consejo de la Ciudad para su voto.

Como son solamente cuatro direcciones para su voto en la cuadra y la reposición de señales de tránsito de tres sentidos al hacer el cambio, esto fue considerado como un cambio sencillo que no sería problemático para algunos comercios en ese segmento de la calle.

El cambio de nombre de la Calle 147 W por Lawndale Way es una forma de poder ayudar a marcar la ciudad. Lo que ahora se conoce como Lawndale Way, un segmento de una calle principal que lleva a los motoristas, ciclistas y a quienes van a pie, por el corazón del Centro Cívico de Lawndale, se usa frecuentemente para programas de eventos especiales de la ciudad y eventos de la comunidad.

Históricamente hablando, de acuerdo con el Historiador de la Ciudad, James Osborne, Lawndale Way era originalmente la Calle Market, antes de que las casas tuvieran lo que se conoce hoy como direcciones. En algún momento en 1939 a la Calle Market se le cambió el nombre por Calle 147.

¡Niños, refrésquense en el parque Jane Addams este verano!

La piscina para niños del parque Jane Addams abrirá este verano lunes a viernes de las 12:00 p.m. a las 4:00 p.m. comenzando el lunes 24 de junio, y hasta el viernes 23 de agosto. La piscina es designada para niños de 2 a 6 años de edad. Se requiere supervisión de adultos, preferentemente un padre o madre.

Actualización del Programa de Mejoras Importantes de Verano de 2019

El Departamento de Obras Públicas se complace en brindarle a usted este reporte trimestral del Programa de Mejoras Importantes de la Ciudad (CIP). El programa comprende: calles, concreto, mejoras al tráfico (incluyendo banquetas y coladeras), parques y mejoras a los servicios de la ciudad. Los proyectos se encuentran actualmente bajo construcción o están en la etapa de planeación y diseño.

PROYECTOS ACTUALES

Proyecto de Instalación de Señales de Tránsito, Intersección de las Avenidas Marine y Osage: El personal llevó a cabo un estudio de tráfico seguro para revisar los volúmenes de tráfico vehicular y peatonal en las avenidas Marine y Osage. Actualmente la Avenida Marine cuenta con dos carriles de tránsito en cada dirección y está clasificada como una avenida arterial menor de este a oeste. Tiene cruce peatonal marcado en amarillo para atravesar la Avenida Marine en el lado oeste de la intersección, contando también con marcas de **Slow School Xing**, y faros intermitentes sobre el cruce, y señalamientos para el cruce peatonal. Hartzog y Crabill, Inc., el ingeniero consultor de tráfico de la ciudad, está trabajando con el personal, para diseñar una señal de tránsito completamente accionada, en la intersección de las Avenidas Marine y Osage. El diseño del trabajo comprenderá la búsqueda y coordinación de los servicios públicos, reparación de baches, topografía, planes de señales de tránsito, letreros y las rayas pintadas en el pavimento, ritmo de las señales de tránsito y presupuestos de costo de construcción. La fase de construcción para este proyecto se anticipa que comenzará a finales de la primavera. Este proyecto está siendo financiado por los fondos STP-L.

Proyecto de Modificación de Señales de Tránsito, Intersección de los Boulevares Manhattan Beach y Hawthorne: La ciudad de Lawndale le dio el contrato a Hartzog & Crabill, Inc., para la modificación del diseño de la señal de tránsito de la intersección del Bulevar Manhattan Beach y el Bulevar Hawthorne. Este proyecto tendrá una señal para girar a la izquierda, de manera protegida, que mejorará la eficacia y seguridad de la configuración actual para dar vuelta a la izquierda en el Bulevar Manhattan Beach en dirección tanto al este, como al oeste. El proyecto es financiado por fondos de la Medida R.

Proyecto de Rehabilitación y Mantenimiento de las Calles, W. 149, W. 160 y W. 167: Este proyecto es una inversión en la infraestructura de nuestras calles, con un enfoque el mantenimiento y la seguridad básica e incluye mejoras al pavimento, repintado de calles, construcción de calles, reparación de banquetas, accesos viales y coladeras dañadas. Las mejoras serán en la calle W. 149, desde el Bulevar Hawthorne, hasta la Avenida Larch. Calle W. 160 desde el Bulevar Hawthorne hasta la Avenida Freeman, y de la Calle 167, desde el Bulevar Hawthorne hasta la Avenida Freeman. Este proyecto es financiado con fondos de los impuestos de gas Gas Tax (SB1), TDA y los fondos de la Medida R. Se planea que el proyecto comenzará en la primavera.

Proyecto de Reparación de Concreto: El proyecto incluye reparación de banquetas y coladeras, desagües, accesos viales, acceso a los callejones. El proyecto está limitado de la siguiente manera: al este por el Bulevar Hawthorne, al sur por la Calle W. 166, al oeste por la autopista 405 y al norte por el Bulevar Redondo Beach. El proyecto será financiado usando los Bonos de la Agencia de Redesarrollo. La fase de construcción se planea que comenzará en febrero.

Proyecto de Ensanchamiento de la Avenida, Fase III: La fase III del proyecto, ya se está llevando a cabo. El proyecto incluye la repavimentación desde la Avenida Rosecrans, hasta la calle 153, con asfalto de hule y rayas de las calles, así como la modificación del semáforo de la intersección sur de la Calle 147 W y la Avenida Inglewood. El proyecto también incluirá una banqueta continua desde el límite norte de Lawndale High School hasta la Avenida Marine, y un camellón adornado con jardín, levantado con líneas de irrigación, sincronización de semáforos y rayas en las calles. Le informamos que lo más probable es que habrá retrasos importantes de tráfico, cuando se esté realizando este proyecto. Después de todo, la intersección de la Avenida Marine y la Avenida Inglewood, es una de las que más tráfico en la ciudad.

Los Fuegos Artificiales son divertidos, pero pueden ser peligrosos

Cada 4 de julio, miles de personas, en su mayoría niños y adolescentes, resultan lesionados al usar los fuegos artificiales de consumidor. A pesar de los peligros de los fuegos artificiales, muy pocas personas entienden los riesgos asociados – terribles quemaduras, otras lesiones, incendios y hasta la muerte.

Los Hechos de los Fuegos Artificiales:

- Los Fuegos artificiales causan un promedio de 18,500 incendios al año
- 1,300 de esos incendios, son incendios de estructuras, dañando propiedades
- 300 de esos incendios son de vehículos
- 16,900 son esos incendios son al exterior
- Estos incendios causaron un promedio de tres muertes y cuarenta civiles lesionados
- Los incendios causan un promedio de \$43 millones, de daño directo a propiedades
- Las chispas causan más o menos, un cuarto de las emergencias por las lesiones por los fuegos artificiales

En 2017, las salas de emergencia de los Estados Unidos trataron a un promedio de 12,900 personas por lesiones relacionadas con los fuegos artificiales; 54% de esas lesiones son a las extremidades y 36% a la cabeza. Los niños menores de 15 años son más de una tercera parte (36%) de las lesiones calculadas en el 2017.

Frecuentemente los fuegos artificiales se usan para celebrar eventos especiales y festividades. Sin embargo, no son seguros en las manos de los consumidores. Los fuegos artificiales causan miles de quemaduras y lesiones a los ojos, cada año. La gente puede disfrutar de los fuegos artificiales con seguridad, siguiendo algunos consejos sencillos.

- Manténgase Seguro. Si quiere ver fuegos artificiales, vaya a un espectáculo público hecho por expertos.
- No prenda fuegos artificiales de consumidores.
- Supervise muy de cerca a los niños en los eventos donde se prendan fuegos artificiales.

El verano ya casi está aquí y las familias están ansiosas, esperando la oportunidad de pasar más tiempo, disfrutando el exterior. Para muchos de nosotros, las mascotas son miembros de la familia extendida y ellos también están esperando pasar un día relajado con sus seres queridos.

Teniendo eso en consideración, la Ciudad de Lawndale se complace en organizar su Feria de Salud y Seguridad de Mascotas. Este evento se llevará a cabo el sábado 8 de junio en el parque Jane Adams, de las 10:00 am a las 2:00 pm.

El propósito de la feria de Salud y Seguridad de Mascotas, es brindar una experiencia personalizada a nuestros residentes, permitiéndoles que se familiaricen con diferentes productos a través de varias actividades interactivas, en un ambiente divertido y familiar. Habrá vendedores presentes de todos lados para mostrar productos específicamente diseñados para su mascota.

Además, los profesionales de la salud veterinaria, estarán presentes para hablar con el público sobre cuestiones médicas e innovadoras, relacionadas con la salud de su mascota y los proveedores de servicios también estarán presentes para responder a cualquier pregunta sobre el cuidado y servicios designados para ayudar a sus mascotas y cómo atenderlas mejor.

Para aquellos que tienen un gusto por las mascotas exóticas, habrá puestos con reptiles, insectos y otros animales inusuales. A los asistentes se les permitirá tocar, agarrar y tener una experiencia muy cercana con las víboras, arañas y otras criaturas exóticas. Los niños van a tener la oportunidad de sacarse fotos con víboras gigantes y con tortugas.

Los oficiales del personal de control de animales de la Ciudad de Lawndale, estarán presentes para ayudar a los residentes con cualquier pregunta que tengan, sobre los reglamentos de la ciudad, con respecto a cómo mantener a sus mascotas en la comunidad. Todas las mascotas son bienvenidas a asistir, con sus dueños, siempre y cuando permanezcan a salvo con sus dueños y se apeguen a la ordenanza de la ciudad, de la correa de 6 pies.

Este evento es gratuito y sin cargo alguno y a todos los residentes y visitantes se les exhorta a que asistan, con la meta de atraer a la comunidad de mascotas y compartir la experiencia de una mascota más segura y más feliz.

¿Es usted un dueño responsable de un perro? Todos lo pueden ser, siguiendo varios pasos sencillos.

A continuación tenemos algunos recordatorios sobre algunas cosas que podemos hacer para ser un dueño responsable de un perro. Estos consejos le ayudarán a usted y a sus vecinos a tener una experiencia en la que disfrute de su perro.

- Todos los perros requieren tener una licencia anual con la ciudad.
- Todos los perros deben estar al corriente en sus vacunas de la rabia durante el período de duración de su licencia.
- No se permite que su perro ande suelto en ningún momento. A los perros se les debe mantener con correa siempre que los saque de su propiedad.
- Al sacar a su perro de su propiedad, usted debe contar con los artículos necesarios como bolsitas de plástico, o un recogedor, para disponer sanitariamente del excremento del perro. Es ilegal dejar el excremento del animal en propiedad pública o privada que no sea la del dueño o rentada por el dueño de la mascota.
- Para la paz y tranquilidad de su vecindario, el ladrido del perro debe ser vigilado y se debe limitar el ladrido continuo o extendido de su mascota.

Al Departamento de Servicios Municipales le encantará ayudarle a que aprenda cualquiera de estos consejos de seguridad para cuidar felizmente de su mascota. Se puede contactar al Departamento de Servicios Municipales llamando al (310) 973-3220.
